I'M BURAK BAKIS.

DIRECTOR, DIGITAL MEDIA PRODUCER & NFT ARTIST

I was born in Edremit district of Balıkesir in 1969. I completed my primary, secondary and high school education there again. 3rd place in a district-based painting contest in the 1980-81 academic year,In 1985, my first poem was published in a local art magazine.I'm still writing every now and then. In the 1985-86 academic year, in the Tübitak Inter-High School Science Competition held throughout Turkey, my school in the field of Chemistry. I have been in the working groups of the projects where he received his 1st and 2nd degrees.I took International Relations and Tourism courses at Bilkent University between 1987-91.Between 1993-2006, I worked as an assistant, editor-in-chief and director at various TV channels and production companies. Since 2006, I have been providing products and services on almost every subject in the digital media field on my own account and in cooperation with advertising agencies. I know enough English, a little less than medium German, enough Greek to not get lost in Athens :) I am married and I have 2 sons.
